

ANNUAL CHARITY BALL SURPASSES ALL PREVIOUS SIMILAR EVENTS

In a setting of old rose and roses, the annual charity ball was given at the Toltz club Wednesday evening by the Women's Charity association.

The entire ballroom floor of the beautiful new club building had been given over for the annual ball for charity, and the success of the affair was heightened by the beautiful appointments of the colonial ball rooms and the club parlors. American beauty roses, a shade higher in color than the decoration of the ball room, were distributed in the different parlors, the ballroom and in the dining room, where the buffet lunch was served.

While not as well attended as former balls, the proceeds from the sale of tickets to the annual charity affair surpassed any previous effort and the charity fund of the association is increased by more than \$1000 because of the untiring efforts of the officers and committee of the association.

Carrying out the spirit of the ball—everything was donated by friends of the association. The music, a military orchestra from the 23rd regiment band, was tendered for the ball by Col. A. C. Sharpe, commanding officer at Fort Bliss; the privilege of using the ball room and parlors of the Toltz, which fact aided in making the 1910 ball the greatest success in the history of the charity association, was made possible through the kindness of H. S. Beach, president of the club, and the club members, who volunteered the use of the big building.

The only expense was the hire of the servants, the remainder of the receipts going into the charity fund for alleviating the suffering of the needy during the year.

The Receiving Line.

The receiving line was composed of the officers of the Charity association. Those in the line were: Mesdames Van C. Wilson, president; W. R. Brown, vice president; J. C. Lackland, second vice president; Thos. Nealon, treasurer; R. C. Canby, secretary; H. W. Broadbush, W. H. Burgess, W. Cooley, W. C. Davis, C. D. Franklin, S. Freudenthal, Wm. Glasgow, G. R. LeBaron, J. G. McNary, J. H. Nations, J. A. Rawlings, H. B. Stevens, Mrs. Z. T. White, a member of the board, is out of the city.

The Grand March.

The grand march started to the strains of stirring military music 9:30 and was led by Mrs. Van C. Wilson, president of the association, and mayor C. E. Kelly, it being the annual custom to have the president and mayor formally open the ball.

Mrs. Kelly and Mr. Wilson followed the leaders of the march. Col. and Mrs. A. C. Sharpe were to have been third in the line of march, but owing to the illness of Mrs. Sharpe's mother, they were unable to attend. Mr. and Mrs. H. S. Beach, who were to have followed Col. and Mrs. Sharpe, were also unable to be present. Mrs. W. R. Brown and Robert Krakauer were next in line. Mrs. J. C. Lackland and Judge A. S. J. Eyer, Mr. and Mrs. Thos. Nealon, Mr. and Mrs. R. C. Canby and the directors of the association with their husbands followed in order.

The dance card contained 12 numbers and was completed shortly after midnight. During the evening a luncheon was served in the grill room of the club. The large center table was decorated with autumn fruits, nuts and candles, giving a Thanksgiving touch to the scene.

The Jury Returns Unanimous Verdict.

A jury consisting of some of the most distinguished chemists of America has returned an unanimous verdict of "not guilty" in the case of Knicker et al., vs. Coca-Cola. It will be remembered that some time ago a report was circulated to the effect that Coca-Cola contained injurious materials and was, therefore, harmful in its effect upon the human body.

The rumor was originated by an unscrupulous competitor of Coca-Cola, the popular temperance drink spread rapidly and found some credence among those who did not know the origin of the report.

The jury finds that not only does Coca-Cola contain nothing harmful, but that it is much superior to tea and coffee in that it is free from tannic acid and, therefore, promotes digestion instead of retarding it. Each of the distinguished chemists reported that he had made a careful chemical analysis of Coca-Cola and found it to contain no "dope" of any kind. If you would like to see copies of these letters, write to the Coca-Cola Co., Atlanta, Ga., for a free copy of a booklet entitled "The Truth About Coca-Cola." The jury was as follows:

1. Jno. M. McCandless, State Chemist of Georgia.
2. B. R. Rees, State Chemist of Alabama.
3. Dr. A. L. Metz of Tulane University.
4. Prof. W. B. Burney of South Carolina College.
5. Prof. C. H. Palm of the University of Texas.
6. Dr. Wm. H. Taylor, State Chemist of Virginia.
7. Dr. Louis Schaefer, Prest. Schaefer Alkaloid Works, Maywood, N. I.
8. Prof. Emerson R. Miller of Alabama Polytechnic Institute.
9. Dr. J. C. Mims, Chemist of the Board of Health, New Orleans.

AMUSEMENTS

"ARIZONA" TONIGHT.

As the title indicates, "Arizona" has its scenes in the picturesque Southwestern territory. It is by no means a "wild and woolly" melodrama, although it is replete with stirring acting and embraces one tragic climax which would probably claim melodramatic classification were it not relieved by a background of humorous and picturesque romance. It is described as an exquisite scenic production and will be seen at the El Paso theater tonight. The prices are 50c to \$1.50.

CRAWFORD THEATER TONIGHT.

At the Crawford theater tonight the Glass-Gagnon combination appears in "Facing the Music," at prices of 15c, 25c and 50c. Friday night the amateurs will be seen after the regular performance. Saturday there will be a children's matinee.

SALE OF SEATS FOR "THE CITY."

"Saturday morning at 9 o'clock the sale of seats opens for 'The City.' This is positively one of the strongest dramas on the road. The Herald can recommend the company as a first class one in every particular. The play is based on the sins of a great city and has the theme that 'the sins of the fathers are visited upon the son.' It was one of the big New York hits and the company coming here is a most capable one, headed by Norman Hackett. A member of The Herald staff witnessed the play in Tacoma, Washington, and can say that it is a strong play presented by a company worthy of the highest praise.

NO HOME, NO FRIENDS, SICK AND TIRED, WOMAN ENDS ALL.

Douglas, Ariz., Nov. 24.—"I am tired of living. I am broke and sick. Am also tired of my life and I think the best way for me is to kill myself. I write this so that no one will be blamed for my death. I have no home or friends, so bury me any way you can."

This note and an empty bottle marked carbolic acid tell of the suicide of Marie Smith, a resident of the redlight district who was found dying in her room here.
